How we use your information

Any information we hold about you, whether on our computer system or on paper files, will be treated as private and confidential. We will use and disclose your information to insurers, their agents, the regulator and other third parties in the normal course of administering or arranging your insurance policy. We may also obtain information about you from credit reference agencies to check your credit status and identity. The agencies record our enquiries but your credit standing will not be affected.

Under the Data Protection Act 1998 you have the right to request a copy of all the personal information we hold about you. To do this, simply write to us at Data Protection Officer, Brightside Insurance Services Ltd, Brightside Park, Aust, Bristol BS35 4BL enclosing a cheque for £10.00 payable to Brightside Insurance Services Ltd to cover our administrative costs in dealing with your request. If you have any queries in respect of confidentiality and data protection please contact us.

For more information on the Data Protection Act you can call the Information Commissioner's Office 0303 123 1113 (local rate) or 01625 545 745 if you prefer to use a national rate number. You can also email: casework@ico.org.uk (please include your telephone number) or write to the Information Commissioner's Office at Wycliffe House, Water Lane, Wilmslow, Cheshire SK9 5AF.

Sensitive data

In order to assess the terms of the insurance contract or administer claims which arise, we and the insurer may also need to collect data which the Data Protection Act defines as sensitive such as medical history or criminal convictions. We will not use this data except for the specific purpose for which you provide it and to provide the services described in your policy booklet.

Credit searching and references

To make sure that the insurers can provide you with their best price, ascertain the most appropriate payment options for you and protect you from fraud, they will use public and personal data from a variety of sources, including a credit reference agency and other organisations. Credit reference agencies share information with other organisations, enabling applications for financial products to be assessed, helping to trace debtors and preventing fraud. Credit scoring uses a number of factors to work out risks involved in any application. A score is given to each factor and a total score obtained.

To ensure our insurers and credit providers have the necessary facts to assess your insurance risk, verify your identity, to help prevent fraud and to provide you with their best premium and payment options, they may obtain information from third parties at quotation and renewal and in certain circumstances where policy amendments are requested. This information includes a Quotation Search from a credit referencing agency. This search will appear on your credit report and will be visible to other credit providers. It will be clear that this is a quotation rather than a credit application by you to pay by monthly instalments.

Where automatic credit scoring computations are used, acceptance or rejection of your application will not depend only on the results of the credit scoring process. By applying for a quotation, you agree to these uses of your information. The insurers' search will appear on your credit report whether or not your quotation proceeds to application but it shouldn't harm or adversely affect your credit profile.

Anti-fraud registers

When dealing with your request for insurance, anti-fraud registers may be searched. We use a number of anti-fraud methods both at and after application including SIRA, a comprehensive fraud prevention and detection solution from [Synectics Solutions](#). We will also pass details to the Claims and Underwriting Exchange Register and the Motor Insurance Anti-Fraud and Theft Register, to check the information provided and prevent fraudulent claims. MIB is the data controller for the Claims and Underwriting Exchange (CUE) and Motor Insurance Anti-Fraud Theft Register (MIAFTR) databases.

If we identify a discrepancy on the aforementioned registers which does not correspond to the information you have provided, we will apply the correct information to your policy and process this change as a mid-term adjustment. Where applicable, an additional premium will be charged by your insurer. If the correct information is unacceptable to your insurer, cover may be cancelled or voided (which means to treat as if the policy never existed). If this happens we will process your policy in accordance with the 'Cancelling your Insurance' section of this document.

Under the conditions of your policy, you must inform us of any incident (such as an accident or a theft) which may, or may not, give rise to a claim. When you inform us of an incident, we'll pass the information relating to it to the registers.

Motor Insurance Database (MID) (Motor Insurance Only)

Information relating to your insurance policy will be added to the Motor Insurance Database ("MID") managed by the Motor Insurers Bureau ("MIB"). MID and the data stored on it may be used by certain statutory and/or authorised bodies including the Police, the DVLA, the DVA, the Insurance Fraud Bureau and other bodies permitted by law for purposes not limited to but including:

- i) Electronic Licensing
- ii) Continuous Insurance Enforcement
- iii) Law enforcement (prevention, detection, apprehension and/or prosecution of offenders)
- iv) The provision of government services and/or services aimed at reducing the level and incidence of uninsured driving.

If you are involved in a road traffic incident (either in the UK, the EEA or certain other territories), insurers and/or the MIB may search the MID to obtain relevant information.

Persons (including his or her appointed representatives) pursuing a claim in respect of a road traffic incident (including citizens of other countries) may also obtain relevant information which is held on the MID.

It is vital that the MID holds your correct registration number. If it is incorrectly shown on the MID you are at risk of having your vehicle seized by the Police. You can check that your correct registration number details are shown on the MID at www.askmid.com.

Contacting you

From time to time, we'd also like to get in touch with you by phone, email, SMS or post to tell you about the other products, services and special offers available from Brightside Group.

Your details are safe with us because we won't share your details with anyone else for marketing purposes.

Your Responsibilities

Answering questions

We expect you to provide complete and accurate information when you take out your insurance policy, throughout the lifetime of the policy and when you renew your insurance.

When purchasing, amending and renewing your insurance policy, you must take care to answer all questions honestly and to the best of your knowledge. If you don't answer the questions correctly, your policy may be cancelled or your claim rejected or not fully paid.

If you are unsure of your answer to a particular question, you should try to obtain the information required to answer it correctly. If you need help with any of the questions and you are purchasing on line, please see the accompanying help text or the frequently asked questions. If you cannot find what you need, please contact us.

Before you purchase your policy, please carefully check your answers to ensure they are correct. If there are any inaccuracies, please correct them before you pay for your policy.

If the credit agreement requires you to pay an advance payment, you're required to pay by the date specified by us or your policy may not be valid.

You are reminded that it is an offence under the Road Traffic Act to make any false statements or withhold any information to obtain a Certificate of Motor Insurance.

Please note that under the Rehabilitation of Offenders Act 1974 you're not required to disclose convictions regarded as spent.

Awareness of policy terms

When you take out a policy we will send you a Proposal Form or Statement of Information which shows the information you have supplied to obtain insurance cover. Please check this carefully and inform us immediately of any errors. You should also check the policy documents, as these documents form the contract of insurance with your insurer(s). If you make any changes to your policy, or add additional information we will send you a copy of the revisions. You will have the opportunity to correct any errors, but please be aware that this could result in an additional premium being charged by your insurer(s) and an administration charge by ourselves.

Breach of any terms, conditions or warranties may enable your insurer(s) to terminate your policy, or repudiate a claim under your policy. If there is anything you do not understand please call us on 0333 222 1072

Your cover

It is your responsibility to provide accurate information when you take out, change or renew your insurance policy. If you make any changes to your policy during the period of cover you will be advised prior to making these changes of any revised policy terms and conditions that may apply.

Road Traffic Act (Motor Insurance Only)

You're reminded that it is your personal responsibility under Road Traffic Act legislation to ensure that before using or permitting the use of a vehicle on the public highway, you're in possession of a current valid Certificate of Motor Insurance.

Documents that we may need from you

To provide you with competitive prices and to combat fraudulent applications and claims our insurer partners may ask you to share your driving licence details with us to view your driving record, penalty points and disqualifications. We may also request proof of No Claims Discount, Utility Bills and other documentation to establish the identity of any person applying for insurance.

If we request these items you will also be provided with a timescale for providing the information as well as details on how to send them to us.

Failure to provide us with the required information within the specified time may result in administration charges, increases in premium or your cover may be cancelled or voided (which means to treat as if the policy never existed).

If there is a discrepancy between the information supplied on the application form and the requested supporting documents, the correct information will be added to the policy and processed as a mid-term adjustment. Where applicable, an additional premium will be charged by your insurer. If the corrected information is unacceptable to your insurer, cover may be cancelled or voided.

If your policy is cancelled for this reason, we will process your policy in accordance with the 'Cancelling your Insurance' section of this document.

Charges and Cancellation process

Payment of premiums

All annual insurance policies are arranged for a period of 12 months and you're required to pay the full amount stated on the day cover is arranged, the date the policy is due for renewal, or the date any mid-term adjustment is processed.

Where a policy has been arranged on a 'Minimum and Deposit' basis the premium has been calculated by applying rates to estimated wage/roll and/or turnover at the beginning of the year and then adjusted based on a yearend declaration. The adjustment can produce additional or return premiums depending on whether the yearend declaration is more or less than the estimates used to calculate the original premium. When the policy has a Minimum and Deposit premium, because the premium charged is the minimum, there is no return premium allowed if the yearend declaration is less than the original estimate. However, insurers can still charge an additional premium if the yearend declaration is greater than the original estimate and therefore you would be expected to pay this in full.

If you choose to pay for your insurance monthly, you will enter into a credit agreement with a third party premium finance company, which pays the insurance premium in full for your cover. Typically you will make an initial payment to us when you buy the policy which is followed by the setting up of a monthly direct debit with the finance provider that will take instalments directly from your bank.

If we arrange an instalment plan for you, finance will be provided by either Close Brothers Premium Finance Limited or by using the insurer's instalment facility.

You'll be responsible for paying the instalments as they fall due. In the event that payment is not made your policy will be cancelled in accordance with the 'Cancelling your Insurance' section of this document.

Administration and setup charges

In addition to any premium charged by the insurer (which includes our commission for placing your insurance business), One Insurance Solution will also charge you for setting up, amending and cancelling the policy as well as issuing documentation in other formats.

Please note where a payment has been processed using a Credit Card, that the fee of 2.99% is not refundable.

During the lifetime of your policy you may need to make changes to your cover. All amendments will be subject to a mid-term adjustment charge.

Some changes will also result in a change to your premium, on occasion it could result in cancellation where the insurer cannot offer cover for your new circumstances.

Policy and Administration Charges	
Annual Policy Arrangement Charge	Up to a maximum of 25% of the annual premium
Mid-term adjustment	£35.00 (This is the maximum we will charge for any Mid-term Adjustment)
Direct Debit Arrangement	£25.00 (£35.00 for policies £2000 or above)
Direct Debit Reinstatement	£25.00
Credit Card Handling Fee	2.99%
Cancellation charge inside the cooling off period	Up to £75
Cancellation charge outside the cooling off period	£75.00 cancellation charge in addition to the commission earned by us for placing the insurance policy
Paper Copies of Documentation (Non-Refundable)	£10.00
Duplicate Document/Non-Standard Letters	£10.00

Your Right to Cancel

If you are a consumer buying or renewing a policy which provides cover for you in a private capacity, you have the right to cancel your policy during an initial cooling off period of 14 days either from the day of purchase or renewal of the contract or the day on which you receive your policy documentation, whichever is the later, unless there has been a total loss claim. You will be charged for the time you are covered and a cancellation fee.

When a policy is cancelled after the 14 day cooling off period we charge a cancellation fee and retain our commission in full and any fees and charges that you have already paid during the period of insurance. The insurer may apply a short period or pro rata charge for time on cover. If there hasn't been a claim or a claim made against you a refund may apply. (For more details, please refer to the 'How a refund is calculated' section)

Cancelling Optional Extras

If you have any additional optional insurances (eg Breakdown, Legal Expenses, Excess Protection etc) linked to your insurance, then these will be cancelled when your main policy is cancelled. If you have not used the service they provide and you cancel within the initial 14 day cooling off period then you may not be charged for them. There will not be any refund if you cancel these optional extras after the 14 day cooling off period.

How to cancel your Insurance

If you wish to cancel your insurance contract, please call our customer service team on 0333 222 1075 we will explain how a refund is calculated and the cancellation charges that apply and whether there will be a refund due or any further payments required from you to settle the policy.

If you cancel your insurance following a claim or there has been an incident that will result in a claim you will have to pay the full annual premium. If this is settled as a non-fault claim or the insurer is able to recover its loss then they may send us a refund.

If the insurance is cancelled before cover has even started we will give you your money back, we do not charge a cancellation fee in this situation.

If you set up your insurance using premium finance and the policy is cancelled you will be required to make payment for the outstanding amount immediately.

Where we or the insurer may cancel your cover

We or the insurer may cancel the policy if there is a good reason for doing so.

Some examples of situations where there is a good reason for cancelling your policy include:

- 1) non-payment of the premium due; or
- 2) you have changed your vehicle during the policy to one the insurer cannot cover; or
- 3) you have failed to supply necessary documentation to support your application (such as evidence of No Claim Discount and copies of driving licences for all named drivers); or
- 4) We or the insurer identify misrepresentation or fraud or any attempt to gain an advantage under this insurance to which you are not entitled.

Before One Insurance Solution cancels your policy One Insurance Solution or your insurer will send you seven days' notice to either the email address or postal address shown on your account.

How a refund is calculated

There are differences to how your refund is calculated inside and outside of the cooling off period,

For cancellations made within the 14 day cooling off period the refund from us is calculated by deducting any non-refundable charges from the amount of premium returned to us by the insurer and:

- A cancellation charge as set out in the 'policy and administration charges' section of this document.
- A pro rata amount of the Annual Arrangement charge for the time you have been on cover*

For cancellations after the initial 14 day cooling off period we will deduct any non-refundable charges from the amount of premium returned to us by the insurer and:

- The cost of all add-on products that you purchased (where applicable)
- the Annual Arrangement charge as set out in the 'policy and administration charges' section of this document
- the Direct Debit arrangement charge (where applicable)
- The commission earned by us for placing your insurance plus £75.00 as set out in the 'policy and administration charges' section of this document

*To calculate the cost for the time on cover, your insurer will apply either a pro-rata or use a higher rates for short period cover. A table of charges or short term cancellation rates will be shown in your policy schedule/policy wording, if applicable.

You do not receive any refund for the cost of the optional extra policies if they are cancelled after the cooling off period.

We may not receive a refund from your insurer when you cancel the policy if you have used the policy to make a claim or a claim has been made against you. Provided you have not made a claim and a claim has not been made against you then the insurer will charge for the time you have been covered and return to us any unused premium.

If there has been a claim the insurer will not provide a refund before the claim has been settled and the insurer has recovered its loss.

If the insurer is providing you with a total loss settlement, then you must pay the full annual premium and you will not be entitled to any refund. A total loss claim on the policy marks the fulfilment of the contract and you will be responsible for the full annual premium, even if this happens within the cooling off period. The insurer does not provide refunds after fault claims or if they identify misrepresentation or fraud or any attempt to gain an advantage under the insurance to which you are not entitled.

If you have paid by instalments we will credit any outstanding premium finance. If you have paid by instalments there may be an amount still to pay on cancellation rather than a refund. Any refund returned by the insurers will be off-set against any balance that may still be outstanding on your instalment plan. If the amount that you owe exceeds the amount that you have paid, you will be required to make payment for the outstanding amount immediately. Failure to do so may result in us taking steps to recover the debt including passing on details of the debt to an external debt collection agency. Where this happens, the debt collection agency reserves the right to apply a fee for their services which they will collect along with the outstanding balance.

Where appropriate, refunds will be credited back to the card used to make payment. However we may issue refunds by cheque, made payable to the policyholder. Please note that the choice of whether to refund by card or cheque is for security reasons and remains at our discretion.

Refunds made to a payment card normally appear in your account between 3-5 working days depending on your banking provider.

Claims

We have no authority to handle claims on behalf of insurers. In the event of an incident occurring which may give rise to a claim under your policy, you should notify us as soon as possible using the contact details in your welcome pack or the Make a Claim section of your policy wording

Please note that you must report all incidents as soon as reasonably possible as late notification could compromise your claim.

Client money segregation

The premiums that we collect from you will be held within a non-statutory trust client bank account. This account will be operated inline the FCA client money regulations and is governed under a trust arrangement where we "Brightside" hold these premiums on behalf of you "our client". This means that once a premium has been paid to us, it is segregated into a Client trust bank account on your behalf.

If we "Brightside" were to become insolvent, and your client money has not been settled to the Insurer, then the client money that we hold is protected on behalf of you "our client". The terms of the trust would dictate that you would have a claim on this client money.

As Brightside operates a non-statutory trust and has in place systems and controls to operate and maintain the client money trust then we may agree to extend credit to other customers using money from the client money trust bank account.

Customer Money Passed To Another Person

In accordance with Financial Conduct Authority Regulations we have to inform you that in managing and/or arranging your insurance requirements, we may transfer money that you have paid us in payment of an insurance premium, net of our commission, to insurance providers or another insurance intermediary. By accepting these Terms of Business, you are giving your consent for us to act in the manner described above.

Customer Money Passed To Another Person Outside The UK

In managing and/or arranging your insurance requirements, we may transfer money that you have paid us in payment of an insurance premium, net of our commission, to insurance providers or another insurance intermediary operating outside of the United Kingdom. Unless you notify us that you do not wish your premiums to be transferred in the manner outlined above, by accepting these Terms of Business you are giving your consent for us to act in the manner described. You should note that the legal and regulatory regime applying to the insurance intermediary may differ from that in the United Kingdom and consequently, if the intermediary fails, the premium may be treated in a different manner from which would apply if the premium was held by an insurance intermediary in the United Kingdom.

Earning interest on customer premiums

We hold premiums that you pay us in a non-statutory trust client bank account. Under Financial Conduct Authority Regulations we have to inform you that we may earn interest from money held in our Client Money Bank Account, which may exceed £20.00 for any one transaction that you make with us. Interest earned will not be held for the benefit of customers. By accepting these Terms of Business, you are giving your consent for us to act in the manner described above.

Other Taxes or Costs

Please note that there is a possibility that other taxes and/or costs may exist in respect of products and services offered by us, which are not paid through or imposed by us.

Our Remuneration

If you are regarded as a commercial customer (your policy has been purchased for your trade or profession) you're entitled, at any time, to request information regarding any commission which we may have received as a result of placing your insurance business.

Governing Law

This agreement shall be governed by the laws of England and Wales and the parties agree herewith that any dispute arising out of it shall be subject to the exclusive jurisdiction of the English Courts.

Variations

No variations to these terms are held to be valid unless in writing and signed by an authorised officer of Brightside Insurance Services Ltd. One Insurance Solution staff are not authorised to agree any variation. We may vary the terms of this agreement on renewal of your insurance policy. We will notify you of any change to these terms in your renewal invite. This will be sent to you before the expiry date of your insurance policy so that you can make an informed decision about whether to renew your policy on the new terms.

Statutory Rights

Agreement to our Terms of Business does not affect your statutory rights.
